COMMERCIAL USE GUIDELINES

STL / 3MF file · commercial use of physical prints

PLEASE READ AND FOLLOW THE TERMS BELOW. BY PURCHASING THIS FILE YOU AGREE TO THEM.

WHAT YOU CAN DO

1 COMMERCIAL USE ALLOWED

You may use the purchased file to 3D print and sell physical products made from it, including through your own shop and online marketplaces.

2 PHYSICAL PRODUCTS ONLY

Commercial use applies to physical 3D-printed products. The digital file itself remains protected and may not be commercially distributed.

WHAT YOU CANNOT DO

3 NO FILE SHARING

The purchased file may not be shared, transferred, uploaded, redistributed or resold to other individuals or platforms.

4 NO DIGITAL RESELLING

You may not sell, sublicense or distribute the file or any digital version or derivative of it.

5 NO FILE UPLOADING

Do not upload the file to free or paid file-sharing websites, groups, cloud drives, marketplaces or other digital platforms.

6 PURCHASER ONLY

The commercial licence is granted to the purchaser only (the person or business named on the order) and may not be transferred to another person or business.

OWNERSHIP AND GENERAL TERMS

7 OWNERSHIP STAYS WITH US

Buying the file gives you a licence to use it as described here. It does not transfer ownership or copyright of the original digital design to you. The design remains the property of METACRAFTS PH.

8 BREACH OF THESE TERMS

If these terms are broken, the licence ends and we may remove your access to the file and take action to protect our design.

9 FILE AND PRINT QUALITY

Files are provided as-is. Print results depend on your printer, material and settings, and are not guaranteed.

10 REFUNDS

Because this is a digital product delivered immediately, all sales are final. If a file is damaged or does not open, contact us and we will fix or replace it.

11 GOVERNING LAW

These terms are governed by the laws of the Republic of the Philippines.

BY PURCHASING THIS FILE, YOU AGREE TO THE TERMS ABOVE. · METACRAFTS PH
